Continuing Education Information

General Information

CAPC offers interprofessional continuing education credits (CE) for online courses, virtual workshops, enduring materials, and video/pre-recorded activities. To receive CE credit individuals must meet CAPC's accredited provider's requirements and complete an evaluation. A 90% attendance requirement must be met to receive CE for virtual workshops and video/pre-recorded activities. A score of 80% or higher must be met, within three attempts, for online courses and other enduring material CE offerings.

CAPC Designation

CAPC Designation status is available in Pain Management, Communication Skills, Symptom Management, and Dementia Care. You must complete all courses in a unit to qualify. Upon completion, you will be issued the CAPC Designation Certificate.

Continuing Education Designations

Physicians: CAPC courses are accredited by the ACCME through the Medical Society of the State of New York. Accreditation and Disclaimer statements for each course may be found on the course page. CAPC courses are accredited with *AMA PRA Category 1 Credit(s)*™ as specified. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CAPC is pleased to offer ABIM Maintenance of Certification (MOC) points for certain online courses as indicated. Additional information, such as a physician's ABIM number, date of birth, and a completed evaluation/survey, are required in order to receive MOC points.

Physician Assistants: CAPC courses are accredited by the ACCME through the Medical Society of the State of New York. The American Academy of Physician Assistants (AAPA) accepts credit from organizations accredited by the ACCME. Accreditation and Disclaimer statements for each course maybe found on the course page. CAPC courses are accredited with *AMA PRA Category 1 Credit(s)*™ as specified, which can be applied to the continuing education of Physician Assistants. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Continuing nursing education activities are approved by Connecticut Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. CAPC is pleased to further offer Pharmacotherapeutic credit hours for Advanced Practice Registered Nurse (APRN) per American Nurses Credentialing Center's Commission on Accreditation (ANCC) and American Association of Nurse Practitioners (AANP) for certain online courses as indicated. Pharmacotherapeutic credit hours are listed on the course page and on the certificates for the designated courses that are eligible.

Social Workers: Continuing social worker education activities are approved by the New York State Education Department's State Board for Social Work to provide continuing education to LMSWs and LCSWs in New York State, effective beginning on September 21, 2016, and recently renewed on June 31, 2025, through June 31, 2027.

Case Managers: Continuing case managers' education activities are approved by The Commission for Case Manager Certification to provide continuing education credit to CCMC® board certified case managers.

Verification of Attendance: If either the user or the course is ineligible for continuing education, a Verification of Attendance certificate will be provided upon completion of the course.
